To the Class of 2020,

Congratulations Graduates!

I know that this year has brought unprecedented obstacles, but it is my sincere hope that you have all still created lifelong fond memories of your time at St. Thomas Aquinas.

As you move into a new and exciting next phase of your life, I wish you all tremendous success for your next step, whether that is college, the armed services, a career or whatever you decide.

You should be proud of the all of the hard work that you have put in, the person that you have become, and the difference that you can make. Keep up the great work and it is my wish for you that there are many more great accomplishments that will continue to come your way.

Wishing you many congratulations on your graduation day and best wishes for your next adventure!

Good luck and Congratulations Class of 2020!
